

“CHECK OUT OUR HIGH STREET HEROES”

With the fashion weeks coming to an end, we've decided to take a tiny breather from the luxury labels, and concentrate on the wonder that is the high street.

And it's perfect timing as the Balmain X H&M collaboration is about to hit stores. If you're anywhere near as excited as we are in the *Stylist* office, I suggest you get camping outside your nearest H&M right now, to be in with a chance to grab a piece of the collection.

Turn to page 12 for our exclusive chat with celeb darling, and head designer at Balmain, Olivier Rousteing, as well as a sneak peek at some of our favourite pieces from the collection.

We're also jam-packed with high street fashion shoots. Our cover star, Ashley Graham, and *Dr Who* star, Jenna Coleman, model the hottest looks that won't break the bank.

And, as if all that's not enough, look out for your insert of special high street discount vouchers – free with the magazine this week!
